

Grammar Mini Lesson

Are vs. Our

Then vs. Than

Are: Stating something; "to be" verb; plural form of "is"

Our: Group possessive

1. We are/our going to lunch.
2. They stole are/our book.

Then: designation of time; the order in which something happened

Than: Comparison

1. Then/than we went to lunch.
2. I knew I should write better than/then I talk.
